D. Item Standardization Code Changes: SMB completed changing 539 line items for OC from a standardization code of 1-5 (undetermined standardization) to a 1-1 (standard item), and are now working on changing an additional 456 line items for the OC from a 1-1 to a 3-2 (limited standard item) code. Work is also being done to change from a 1-1 to a 3-2 code those items that were recently declared excess and will be included in the next Agency Excess Property List.

E. Briefing Conducted by GSA's Regional Office - 4 March 1983:

A representative of SMB attended a meeting at GSA to learn about GSA's new customer services. The Personal Property Center (PPC) at the GSA Supply and Distribution Center in Franconia will officially open on 8 March 1983. The PPC expands the existing Furniture Reclamation Center into a full service operation for recycling and disposing of excess Government personal property. GSA also is opening a Customer Supply Center (CSC) in Franconia

SUBJECT: Supply Division Weekly Report, Period Ending
8 March 1983

on 28 March. The CSC is designed to provide economical, direct supply support to end-user customers. It will fill retail (small size) orders of the most popular items handled by GSA. (U)
